A MERICAN & FOREIGN PATENTS. R. H EDDY, SOLICITOR OF PATENTS, Late agent of U. S. Patent Office, Washington, (under the Act of 1837.)

78 State Street, opposite Kilby Street, Boston. After an extensive practice of upwardsof twenty years, continues to secure Patents in the United States; also in Great Britain, France, and other foreign countries — Caveats, Specifications, Bone's, Assignments, and all Papers or Drawings for Patents, executed on liberal terms and with despatch. Researches made into American Foreign works, to determine the validity or utility of Patents or Inventions—and legalor other advice rendered in all matters touching the same. Copies of the claims of

"I regard Mr. Eddy as one of the most capable and successful practitioners, with whom I have had official CHAS. MASON.
Commission of Patents. "I have no hesitation in assuring inventors that the "I have no hesitation in assuring inventors that they cannot employ a personmore competent and trustworthy, and more capable of putting their applications in a form to secure for them an early and favorable consideration at the Patent Office."

EDMUND BURKE. at the Patent Office." EDMUND BURKE.

Late Commissioner of Patents.

Mr. R. H. Eddy has made for me 13 applications, on "Mr. R. M. Endy has made for the 13 applications, on all but one of which patents have been granted, and that is now sending. Such unmistakeable proctof great talent and ability on his part leads me to recommend all inventors to apply to him to procure their patents, as they may be sure of having the most failtaful attention bestowed on their cases, and at a very reasonable charges."

Figs. Dates, nuts and candies, Fresh Peaches in caus and jars, Jams and Jellies, Citron. Pickles, Canned Lobsters. Pepper-sauce. Ketchup and cooking extracts, Lemons,
